

## Super Tag II

This Super Tag provides strong theft protection for everything from heavy outerwear to delicate garments. This hard tag is applied to soft goods at the point of manufacturing to help reduce operational costs and eliminate in-store tagging labor. Sleek, aesthetic design helps minimize impact to merchandise on display.

### Retailer Values

- //Small, compact and lightweight, this mini-security tag is perfect for those looking for a small lightweight pencil tag.
- //The impact to merchandise on display is being minimized due to the small aesthetic design.
- //Improving sales by promoting open merchandising
- // Reducing the loss of goods and saving labor costs associated with in-store tagging, allowing store associates to offer premium service.
- //Reducing waste through recycling used tags for reapplication, consistent with green concepts
- //This unobtrusive, visible deterrent is a desirable option to a wide variety of merchandise
- //Easy application and removal to help improve store operations
