

Pencil Tag

This pencil tag provides protection for high-risk items unable to be secured with a pin-style hard tag. The lanyard cable contains a stainless-steel pin, which makes the tag function well and easy to use. The sleek shape will not affect the product, but provides a powerful visual deterrent that allows retailers to open merchandise with confidence.

Retailer Values

- //Small, compact and lightweight, this mini-security tag is perfect for those looking for a small lightweight pencil tag.
- //The impact to merchandise on display is being minimized due to the small aesthetic design.
- //Improving sales by promoting open merchandising
- // Reducing the loss of goods and saving labor costs associated with in-store tagging, allowing store associates to offer premium service.
- //Reducing waste through recycling used tags for reapplication, consistent with green concepts
- //This unobtrusive, visible deterrent is a desirable option to a wide variety of merchandise
- //Easy application and removal to help improve store operations
