

Super Tag Mini

This mini super tag protects products from accessories to sportswear. Its small size and light weight made it convenient to remove the tags. This hard tag is applied to soft goods at the point of manufacturing to help reduce operational costs and eliminate in-store tagging labor. This unobtrusive, mini deterrent is a reliable addition to EAS system.

Retailer Values

//Small, compact and lightweight, this mini-security tag is perfect for those looking for a small lightweight pencil tag.

//The impact to merchandise on display is being minimized due to the small aesthetic design.

//Improving sales by promoting open merchandising

// Reducing the loss of goods and saving labor costs associated with in-store tagging, allowing store associates to offer premium service.

//Reducing waste through recycling used tags for reapplication, consistent with green concepts

//This unobtrusive, visible deterrent is a desirable option to a wide variety of merchandise
