

Delta Tag

The Delta Tag provides theft protection for everything from heavy outerwear to delicate intimate garments. Its small form factor and simple design secures items without interfering with the shopper experience, promotion, letting retailers open merchandise with confidence. This tag also features a robust locking mechanism with 400N of pull-out force.

Retailer Values

- //Sleek, aesthetic design helps minimize impact to merchandise on display.
- //Promotes open merchandising for increased sales.
- //Reduces lost sales and eliminates labor costs associated with in-store tagging, allowing store associates to better serve customers.
- //You can count on our systems as a strong visual deterrent for potential shoplifters, as well as helping to prevent organized crime.
- //Source Tagging, traffic and inventory solutions to reduce loss, improve store operations and enhance the shopper experience.

Specifications
