

## Round Tag

This Round Tag protects products from accessories to sportswear. It's also an ink tag. It matches its own pins. It features three visible ink vials with a universal warning, providing a strong visual deterrent for would-be thieves. If defeat is attempted, the non-freezable, non-toxic, nonflammable aggressive ink permanently stains garments, denying the benefit of shoplifting. This deterrent is a reliable addition to EAS system.

### Retailer Values

//The impact to merchandise on display is being minimized due to the small aesthetic design.

//Improving sales by promoting open merchandising
