

## Mini Square Tag

The Mini Tag is a versatile shoplifting deterrent for a wide range of products. This tag accepts both smooth and grooved pins. This hard tag is applied to various goods to help reduce operational costs and eliminate in-store tagging labor.

### Retailer Values

- //Sleek, aesthetic design helps minimize impact to merchandise on display.
- //Promotes open merchandising for increased sales.
- //Reduces lost sales and eliminates labor costs associated with in-store tagging, allowing store associates to better serve customers
- //You can count on our systems as a strong visual deterrent for potential shoplifters, as well as helping to prevent organized crime.
- //Source Tagging, traffic and inventory solutions to reduce loss, improve store operations and enhance the shopper experience.
