

## New R50 Tag

The New Magnetic Round Tag is a versatile shoplifting deterrent for a wide range of products. Its easy operation and attractive designs make it one of the most popular product in Sciendy. It helps promote the shopper's experience and merchandising, letting retailers open merchandise with confidence.

### Retailer Values

- //Sleek, aesthetic design helps minimize impact to merchandise on display.
- //Promotes open merchandising for increased sales.
- //Reduces lost sales and eliminates labor costs associated with in-store tagging, allowing store associates to better serve customers
- // Small form factor does not interfere with shopper experience or brand promotion
- //Endorses green initiatives by reducing waste through recycling used tags for reapplication
