

Ink Tag

This round ink tag protects products from accessories to sportswear. It features a visible ink vial with a universal warning, providing a strong visual deterrent for would-be thieves. If defeat is attempted, the non-freezable, non-toxic, nonflammable aggressive ink permanently stains garments, denying the benefit of shoplifting. This deterrent is a reliable addition to EAS system.

Retailer Values

//The impact to merchandise on display is being minimized due to the small aesthetic design.

//Improving sales by promoting open merchandising

// Reducing the loss of goods and saving labor costs associated with in-store tagging, allowing store associates to offer premium service.

// Visible ink vials for maximum theft deterrence

// Features permanent, non-toxic, nonflammable, non-freezable ink

//Easy application and removal to help improve store operations
